Leadership Development

Many of us experience points in our careers and personal lives where we feel “stuck”. As we build our experience and careers, we strive for each year to be better than the previous year, yet many of us don’t reach our goals. In order for that to happen, we have to ensure we have the right tools and people around us to drive a solid and measures to get us where we want to be.

Leadership Development Benefits

- Investment in your growth as a business leader
- Individualized support and proven strategies to help you deal with the issues you encounter in business and balancing success with your personal life
- A specific and individualized plan to achieve your career goals while doing more of what you love to do and are good at
- Creation of a plan that is custom tailored to your strengths and will increase your confidence and ability to succeed in any environment.
- Experience tangible results with actionable content, tools and approaches to make progress after each coaching session
- Peace of mind from a plan and measurables that will ensure you achieve your goals

Included in Leadership Development Program

Each session is a 1-hour Individual Coaching which allows clients to engage at a deeper level so we can define plans that are specific and aligned to their career and life. In these sessions, the agenda will be focused on current challenges, successes, and progress. We ensure that each coaching session is a mix of new ideas and concepts, solid business practices, along with the right level of accountability and momentum. We also bring in other concepts and expertise to help leaders think outside the box and consider new approaches to improve their leadership skills. We focus on the strengths that exist within you today along with assessing areas where there are opportunities for improvement to create a solid plan for growth.

Session Packages - Leadership Development Program

Individual Coaching Sessions will be one-hour each and will be kicked-off by having you complete a Strategy Worksheet, which will guide and develop the roadmap for success. The sessions will be at a frequency agreed upon by the coach & client. All payments will need to be received prior to the first session and can be paid by cash or check.

Options

- You can purchase packages of 3, 6, or 12 sessions. The benefit of these packages is being able to get them in a bundle pricing.
